101 Executive Center Dr., Suite 100
Columbia, SC 29210

RE: Norway Telephone Company, Inc. d/b/a TDS Telecom
Remove DID Exception

Dear Mr. Duke:

Norway Telephone Company is submitting the following tariff sheets:

Section 10 First Revised Sheet 2

The purpose of this filing is to remove the Direct Inward Dialing (DID) Service Exception from the tariff. This DID Service is now available and concurs in the McClellanville Tariff.

The proposed effective date for this filing is November 16, 2009.

If you have any questions, please feel free to contact me.

Sincerely,

Kris A. Groth
Tariff Administrator

MISCELLANEOUS SERVICE ARRANGEMENTS

A. Extension Line Mileage (continued)

1. General (continued)

d. When the practical manner of providing necessary facilities to outside stations requiring two or more extension station lines per station, especially those associated with Key and Pushbutton Telephone Service, is by means of placing cable or multi-pair drop wire, the following monthly rates will apply.

1) From the common equipment cabinet to the station location.

a. First 300 feet $2.25

b. Each additional 200 feet $0.75

2) The monthly rates above are in lieu of mileage charges, and are applicable only where two or more extension station lines per station are required.

e. Extension Line Mileage Charges:

1) Between locations on different premises within the same exchange:

a. For each quarter mile or fraction thereof, airline measurement, per month $0.75

2) Between buildings in different exchanges:

a. Extension stations and PBX stations

Private line mileage charges apply - See Private Line Service and Channels Tariff.
