RE: Norway Telephone Company, Inc. d/b/a TDS Telecom
Correct Local Calling Area

Dear Mr. Duke:

Norway Telephone Company is submitting the following tariff sheets:

Section 3 First Revised Sheets 1

The purpose of this filing is to correct the calling area to also include the Williston exchange of Williston Telephone Company. The Commission issued an order approving the implementation of EAS between Williston, North and Norway on January 30, 2002, Docket Numbers 2001-C and 2001-263-C, Order No. 2002-70. History indicates that it was added to the Norway Tariff on the 8th Revision of Sheet 1, Section 3 (Prior to the Tariff consolidation) but then looks as though it was inadvertently removed in February 2003 with the 9th Revision of Sheet 1 - Section 3. Ultimately, per the above order, the Norway calling area should include the Norway exchange and the North and Williston exchanges of Williston.

The proposed effective date for this filing is July 8, 2010.

If you have any questions, please feel free to contact me.

Sincerely,

Kris A. Groth
Tariff Administrator
