The Honorable Charles L. A. Terreni
Chief Clerk/Administrator
Public Service Commission of South Carolina

Columbia, South Carolina 29211

Dear Mr. Terreni:

On September 23, 2009, AT&T South Carolina filed its election to operate under S.C. Code Ann. §58-9-576(C), and this election will become effective October 1, 2009. Consistent with this election, this tariff filing obsoletes all sections of the General Subscriber Services Tariff (with the exception of the carrier-to-carrier services located in Sections A16 and A35) effective October 1, 2009.

General Subscriber Services Tariff Fourth Revised Page 1

On a going-forward basis, AT&T South Carolina's retail telecommunications services will be offered pursuant to the rates, terms, and conditions set forth in the AT&T Residential Service Agreement, the AT&T Business Service Agreement, the Service Descriptions, and the Price Lists, all of which are available at:

www.att.com/servicepublications

On a going-forward basis, AT&T South Carolina may increase its rates for its stand-alone basic residential lines in service on September 30, 2009 on an annual basis, subject to a statutory inflation-based index. *See* S.C. Code Ann. §58-9-576(C)(2). To the extent that AT&T South Carolina increases its rates for these lines in the future, it will make appropriate filings with the Commission (with copies to the Office of Regulatory Staff) to give notice of the increases and to demonstrate AT&T South Carolina's compliance with this statutory provision.

Yours very truly,

Cindy Cox
