Promotion Description

AT&T Line Connection Waiver

Overview
The Line Connection Waiver (GSST A4) promotion is scheduled to begin on January 1, 2009 and end on December 31, 2009. This promotion is available to AT&T South Carolina business customers with a new location who currently have local exchange service with another local exchange provider. Subscribers who participate in the Program and subscribe to service at a new location will not be billed for line connection charges and change in service charges, if applicable, associated with the service order.

Promotion Specifics
The promotion is offered to business customers with a new location and who currently have local exchange service with another local exchange provider. Customers who subscribe to service at a new location will not be billed for the line connection charges and change in service charges, if applicable, associated with the service order. This will include the Line Connection Charge (first and additional lines, line equivalents, and trunks) and the charge for change in service, if applicable.

Program Eligibility
Available only to business customers with a new location who currently have local exchange service with another local exchange provider and who subscribe to local exchange service.

Promotion Elements
• Subscriber must purchase a minimum of one (1) line per each new location to be eligible and maintain that level of service for a minimum of four (4) months. Should the subscriber disconnect the service prior to having the service for four (4) months, the subscriber will not be billed the line connection charges and change in service charges.
• Participation in the Program begins on the date the service is installed. Depending on the Subscriber's billing cycle, the term may begin in the current month or the month following, or the billing cycle that the service is installed.
• Subscribers who participate in the Program will not be billed for line connection charges associated with the service order. This will include the Line Connection Charge (first and additional lines). For Subscribers switching their service from a Reseller where there is no line connection charge, they will not be billed for any change of service charges.
• Applicable taxes and fees will be based on the full published price of all products and services.

Promotion Restrictions
• AT&T South Carolina reserves the right to modify or to terminate this Program at any time following notice to the Commission.
