3.12 Windstream NuVox Long Distance, (Cont'd.) (N)

3.12.8 Business Unlimited Long Distance Plan

This unlimited plan is designed for small business customers with ten or less business lines. This plan is available for various contract terms. Customers are required to subscribe to a Windstream unlimited interstate plan, at the applicable rates, in order to be eligible for this plan.

This plan is for direct dialed one-plus business voice use only and cannot be used for auto-dialing (including automatic outbound dialing systems or call distribution systems), broadcast fax, long distance Internet or intranet access, softphones or data devices, transcript services, telemarketing, multi-party conference calling (excluding 3-way calls), party lines, chat lines, adult entertainment lines, calls to 900, 700 and 976 numbers, ISDN services, public telephone services, call center and certain switching applications.

Additional charges apply for directory assistance, calling cards, collect calls, operator services, international calling and/or toll-free calling services. The per minute rate for Windstream calling card calls under this plan will be as is stated below. Taxes, fees and other charges, including the Universal Service Fund fee, apply.

Usage may be monitored for compliance/abnormal usage and the Customer may be required to demonstrate compliance with these restrictions where monitoring indicates non-compliance. If the company determines that usage is not consistent with typical business voice service, including excessive usage, the Company may immediately restrict use or change the customer's long distance plan to an alternative plan. The Company reserves the right to cancel or discontinue this plan at any time.

Monthly Recurring Charge, per line	$10.00
Calling Card Calls, per minute rate (No Surcharge)	$0.20

(N)

SECTION 5 - SPECIAL ARRANGEMENTS

5.1 Individual Case Basis (ICB) Arrangements

Individual Case Basis (ICB) pricing, services and arrangements may be developed by the Company upon request and offered at its discretion on a case-by-case basis to a Customer or potential Customer. ICB offerings will take into account special Customer considerations including, but not limited to, bundled services, volume or term commitments, or a response to a competitive offering, and may differ from rates, terms or services otherwise found in this document. ICB rates and terms will be offered to the Customer in writing and a contract entered into between the Company and the Customer and provided on a non-discriminatory basis. Terms of ICB arrangements will be provided to the Commission pursuant to applicable rules, regulations or laws on a proprietary basis. **(T)**

5.2 Contracts

The Company may provide any of the services offered under this tariff, or combinations of services, to Customers on a contractual basis. The terms and conditions of each contract offering are subject to the agreement of both the Customer and Company. Such contract offerings will be made available to similarly situated Customers in substantially similar circumstances. Rates in other sections of this tariff do not apply to Customers who agree to contract arrangements, with respect to services within the scope of the contract. Not withstanding the forgoing, the Company reserves the right to increase rates during the term thereof subject to the rates, terms and conditions as set forth in this tariff. Such rate increases will take effect following customer notification as required by Commission rules.

Services provided under contract are not eligible for any promotional offerings which may be offered by the Company from time to time.
