Ms. Jocelyn Boyd
Chief Clerk/Administrator
Public Service Commission of South Carolina
101 Executive Center Drive, Suite 100
Columbia, South Carolina 29211

Dear Ms. Boyd,

Attached for filing with the Commission are the following AT&T South Carolina tariff pages:

General Subscriber Services Tariff

Section A35 -Fifth Revised Page 1.1

This Tariff filing removes references to Operator Verification/Interruption Service as AT&T South Carolina has discontinued these services.

Yours very truly,

Cindy Cox

A35. INTERCONNECTION OF MOBILE SERVICES

A35.1 Interconnection Services for Mobile Service Providers (MSPs) (Cont'd)

A35.1.1 General (Cont'd)

G. Service Installation Guarantee (Cont'd)

3. For Service Installation Guarantee to apply to the establishment of a dedicated NXX or the subsequent movement of that NXX, the MSP must define the related trunking information necessary to successfully complete an end-to-end test. The MSP must associate the dedicated NXX with an existing active trunk group (two-way or one-way inward) or must establish a new trunk group (two-way or one-way inward) to associate with the dedicated NXX. If a new trunk group is established for this purpose, it must be activated ten days prior to the Service Date of the new or relocated dedicated NXX.

4. Service Installation Guarantees do not apply:

   a. when failure to meet the Service Date occurs because of:

      (1) any act or omission of this MSP, any other MSP or any third party, or of any other entity providing a portion of a service,

      (2) labor difficulties, governmental orders, civil commotions, criminal actions against the Company, acts of God, war or other circumstances beyond the Company's control,

      (3) unavailability of the customer's facilities and/or equipment,

   b. to service requiring Special Construction as set forth in Section A5. of the General Exchange Guidebook.

   c. to Specialized Service or Arrangements or Individual Case Basis filings as set forth in Section A5. of the General Exchange Guidebook.

   d. when alternate arrangements for SS7 signaling links are utilized.

In addition, Service Installation Guarantee will not apply during a declared National Emergency.

H. Other Associated Terms, Rates and Conditions

1. These services are offered at the rates specified herein from central offices where necessary service options are available. The MSP is not limited as to the number or location of points of interconnection.

2. The rates contained in this offering contemplate the use of standard serving arrangements normally provided by the Company. Non-standard facility requirements, equipment, or service options may be requested via the special assembly process as defined in Section A5. of the General Exchange Guidebook.

3. In order to provide compliant interconnection arrangements, it may be necessary for the Company to place equipment at the MSP's point of termination. The MSP shall furnish or arrange to have furnished to the Company, at no charge, equipment space and electrical power required by the Company to provide services under this Tariff. The MSP shall also provide the Company reasonable access for installing, testing, maintaining, or removing equipment. Facilities and equipment utilized by the Company to provide services under the provisions of this Tariff shall remain the property of the Company and shall be returned to the Company by the MSP upon reasonable request.

4. MegaLink service, MegaLink Light service, MegaLink channel service and SMARTRing service from Section B7. of the Private Line Guidebook, are used to rate certain portions of DS1 service offered under this Tariff. The terms and conditions which apply for those services apply here, except that the month to month rates for MegaLink channel service, as specified in B7.3 of the Private Line Guidebook may be applied without the MSP fulfilling any minimum contract period. However, a minimum initial service period may apply for DS1 services, as specified in B7. of the Private Line Guidebook for MegaLink service, MegaLink Light service, or SMARTRing service.

5. Directory listings for MSPs are provided in accordance with regulations and rates found in Section A6 of the General Exchange Guidebook.

6. Clients of the MSP may be provided directory listings as specified in A6.6.2 Business Additional Listing of the General Exchange Guidebook.

7. Charges for Directory Assistance, Directory Assistance/Directory Assistance Call Completion ***and*** Operator Assisted Local Calls as defined in Section A3. of the General Exchange Guidebook are applicable and will be individually itemized on the MSPs bill. (C)

8. Charges for Directory Assistance ***and*** Operator Assisted Calls as defined in Section A18. of the General Exchange Guidebook are applicable and will be individually itemized on the MSPs bill. (C)
