3T SOHO Voice Acquisition Offer

During the period October 1, 2013 through December 31, 2015, new business customers who subscribe to the Business Assist Advantage Business Unlimited Plan may be eligible for a credit of the monthly recurring charge.

In order to be eligible, customers who are contacted by the Company or who contact the Company and request this promotion must not have had service disconnected with the Company for non-payment in the past, must not have any past due bills for services owed to the Company, and must have a satisfactory credit rating. Customers who qualify for this promotion must also qualify and subscribe to the corresponding local service promotion offered by the Company's affiliated independent local exchange (ILEC) entity. Customers must also be a new subscriber to companion Business Unlimited local exchange service provided by a Company ILEC affiliate.

A credit for the first month's monthly fee will be provided when eligible customers subscribe to the Business Assist Business Unlimited Plan under a one-year term. The credit will be reflected on the customer's first invoice following installation of the service. Customers subscribing under a two-year term will receive a credit for the monthly recurring charge on their first and second months' invoices, and three-year term customers will receive a credit for the monthly charges on their first, second and third months' invoices. Credit amounts will not be applied for taxes and surcharges or for other services to which the customer subscribes.

If a customer discontinues service prior to the end of required service period, credits issued under this promotion will be rescinded. This promotion does not apply to moves, changes, or additions to an existing customer's service and may not be combined with any other long distance promotion. The Company reserves the right to review the promotion availability and conditions and is available until changed or cancelled by the Company.
