One Month Free Offer

During the period of January 1, 2016 through January 31, 2017, new business customers who subscribe to Business Unlimited Service (a.k.a. Unlimited Business Assist Advantage Plan) may be eligible for a waiver of the nonrecurring charges otherwise applicable for installation of that service and a credit(s) of the monthly recurring charges. To be eligible, customers who are contacted by the Company or who contact the Company and request this promotion must not have had service disconnected with the Company for non-payment in the past, must not have any past due bills for services owed to the Company, and must have a satisfactory credit rating.

Nonrecurring charges otherwise applicable for installation of a new service will be waived when eligible customers subscribe to Business Unlimited Service (a.k.a. Unlimited Business Assist Advantage Plan) under a one year term commitment. Additionally, customers will receive a credit for their first month's charge. The initial bill credit will be reflected on the customer's first invoice issued following installation of the service. Credit amounts will not be applied for taxes and surcharges or for other services to which the customer subscribes.

If a customer discontinues service prior to the end of required service period, credits issued under this promotion will be rescinded. This promotion does not apply to moves, changes, or additions to an existing customer's service and may not be combined with any other promotion.

Waive Up to \$80 NRCs with Voice/HSI Install

During the period of January 1, 2016 through January 31, 2017, business customers who are contacted by the Company or who contact the Company and request this promotion may be eligible for a discount on the nonrecurring charges that are applicable for installation of a new business line or trunk.

To be eligible, customers must subscribe to High Speed (HSI) Internet concurrent with installation of a new line(s) or trunk(s). Packaged services (bundles) that include a business line or trunk are eligible for this promotion. Customers will receive a discount of up to \$80 per business line or trunk installed for each location at which HSI is installed under the same order. There is no limit on the number of times a customer may place orders for new lines or trunks and receive this promotional benefit during the promotional period.

The benefits awarded under this promotion may not be combined with the benefits of other currently available promotions that waive or credit nonrecurring charges.

Nonrecurring Add A Line Business Promotion

During the period of January 1, 2016 through **January 31, 2017**, business Core Connect 2 and Core Connect 2 LITE customers may be eligible for a waiver of all nonrecurring charges (excluding charges applicable for inside wiring, construction, or CPE installation) that are otherwise applicable when they order additional Core Connect 2 or Core Connect 2 LITE packages.

To be eligible, customers who are contacted by the Company or who contact the Company and request this promotion must subscribe to an additional Core Connect 2 or Core Connect 2 LITE package under a term discount plan. The additional line(s), up to a maximum of nine, may be at the same or different locations but must be billed under the same account.

This promotional offer may not be combined with other discounts unless otherwise specified.
