Free Installation Promotion (1 Year Commitment) – Individual Line and Trunks

During the period January 13, 2010 through September 30, 2010, business customers who subscribe to Business Individual Line, Business Key Trunk, and/or Business PBX Trunk service may be eligible for waiver of all service connection charges (excluding inside wire, construction, or CPE installation) that are otherwise applicable. To receive a waiver, customers who are contacted by the Company or who contact the Company and request this promotion must subscribe to one of the qualifying services, and commit to one year of service for the services described above. Customers subscribing to services under this promotion who discontinue service prior to meeting the one year commitment will be assessed all charges originally waived under the promotion. There is no limit to the number of times a customer can receive this promotion provided that the customer meets the required commitment level with each subsequent order.

### Free Installation Promotion (1 Year Commitment) – Centrex Service

During the period January 13, 2010 through September 30, 2010, business customers who subscribe to Centrex service may be eligible for waiver of all nonrecurring installation and service connection charges (excluding inside wire, construction, or CPE installation) that are otherwise applicable. To receive a waiver, customers who are contacted by the Company or who contact the Company and request this promotion must subscribe to one of the qualifying services, and must commit to a minimum of a one year term. Customers subscribing to services under this promotion who discontinue service within one year of installation will be assessed all charges originally waived under the promotion. There is no limit to the number of times a customer can receive this promotion provided that the customer meets the required commitment level with each subsequent order.

### Free Installation Promotion (1 Year Commitment) – Data Products

During the period January 13, 2010 through September 30, 2010, business customers who subscribe to ISDN PRI, Enhanced Frame Relay, Digilink, Translink, and/or Lightlink service may be eligible for waiver of all nonrecurring installation and service connection charges (excluding inside wire, construction, or CPE installation) that are otherwise applicable. To receive a waiver, customers who are contacted by the Company or who contact the Company and request this promotion must subscribe to one of the qualifying services, and must commit to a minimum of a one year term. Customers subscribing to services under this promotion who discontinue service within one year of installation will be assessed all charges originally waived under the promotion. There is no limit to the number of times a customer can receive this promotion provided that the customer meets the required commitment level with each subsequent order.
