Complete Business Bundle (One Month Free)

Business customers who are not currently subscribed to the Company's High-speed Internet or Complete Business Bundle may be eligible for a one-time waiver of the monthly recurring charge for Complete Business Bundle. To be eligible, customers who are contacted by the Company or contact the Company and request this promotion must subscribe to (1) Complete Business Bundle under a two-year term commitment and (2) High-speed Internet (1.5 Mbps or greater) under a two year term commitment.

The one-time waiver of the monthly recurring charge for Complete Business Bundle will apply for the first full month's service after the service is installed. This waiver only applies to the initial bundle ordered per location.

MultiLine Bundle (One Month Free)

Business customers who are not currently subscribed to the Company's High-speed Internet or MultiLine Bundle may be eligible for a one-time waiver of the monthly recurring charge for MultiLine Bundle. To be eligible, customers who are contacted by the Company or contact the Company and request this promotion must subscribe to (1) MultiLine Bundle under a two-year or three year term commitment; (2) High-speed Internet (1.5 Mbps or greater) under a two year term commitment; and 3) one of the following Embarq Communications, Inc. long distance plans: a) Business AnyTime (per account/location), b) Small Business Unlimited Solutions II (per line), or c) Block of Time for MultiLine Bundle (per account/location).

The one-time waiver of the monthly recurring charge for MultiLine Bundle will apply for the first full month's service after the service is installed. This waiver applies to all qualifying MultiLine Bundles ordered.

Complex Customer Offer (LOC)

New and existing business customers who are contacted by the Company or contact the Company and request this promotion may be eligible for a one-time bill credit when they subscribe to ISDN-PRI. To be eligible, customers must order the qualifying service under a new two year or greater term commitment with a resulting monthly spend of \$300 or more. Charges for the qualifying service (excluding taxes, surcharges and other fees) contribute towards the monthly spend. All nonrecurring installation and service charges normally applicable will also be waived under this promotion (excluding inside wire, construction, or CPE installation).

The credits will range from \$300 to \$2,000, but will not exceed the customer's monthly charges (excluding taxes, surcharges, and other fees) and will be reflected on the customer's bill in the next full month's billing cycle.

There is no limit to the number of times that a customer can subscribe to this promotion.

The first full month's service for which credit will be issued will count as the first month of service under the term commitment period. If a customer discontinues service for which credit was issued prior to the end of required service period, credits issued under this promotion will not be rescinded; however, customers who discontinue service prior to the end of the term commitment period are responsible for the termination liability charges for the service(s) that are prematurely disconnected.
