Free Installation Promotion with Minimum Spend

During the period January 1, 2007 through December 31, 2009, business customers who subscribe to Business Individual Line, Key Trunk, and/or PBX Trunk service may be eligible for waiver of all service connection charges (excluding inside wire, construction, or CPE installation) that are otherwise applicable. To receive a waiver, customers who are contacted by the Company or who contact the Company and request this promotion must subscribe to one of the qualifying services, and the customer's total monthly charges must be \$100 or more. Charges for all regulated and non-regulated services (excluding taxes, surcharges and other fees) contribute towards the qualifying monthly charges. There is no limit to the number of times a customer can receive this promotion provided that the customer meets the required spend level with each subsequent order.

Free Installation Promotion (1 year Commitment)

During the period January 1, 2007 through December 31, 2009, business customers who subscribe to Centrex and/or ISDN BRI service may be eligible for waiver of all nonrecurring installation and service charges (excluding inside wire, construction, or CPE installation) that are otherwise applicable. To receive a waiver, customers who are contacted by the Company or who contact the Company and request this promotion must subscribe to one of the qualifying services, and must commit to a minimum of a one year term. Customers subscribing to services under this promotion who discontinue service within one year of installation will be assessed all charges originally waived under the promotion. There is no limit to the number of times a customer can receive this promotion provided that the customer meets the required commitment level with each subsequent order.

Free Installation Promotion (3 year Commitment)

During the period January 1, 2007 through December 31, 2009, business customers who subscribe to ISDN PRI, Enhanced Frame Relay, ATM, Digilink, Translink, and/or Lightlink service may be eligible for waiver of all nonrecurring installation and service charges (excluding inside wire, construction, or CPE installation) that are otherwise applicable. To receive a waiver, customers who are contacted by the Company or who contact the Company and request this promotion must subscribe to one of the qualifying services, and must commit to a minimum of a three year term. Customers subscribing to services under this promotion who discontinue service within three years of installation will be assessed all charges originally waived under the promotion. There is no limit to the number of times a customer can receive this promotion provided that the customer meets the required commitment level with each subsequent order.
