Waive Voice Installation NRC with High Speed Internet

During the period October 15, 2010 through January 31, 2011 business customers may be eligible for a waiver of all nonrecurring charges (excluding charges applicable for inside wiring, construction, or CPE installation) that are otherwise applicable for installation of a new business line or trunk.

To be eligible, business customers who are contacted by the Company or who contact the Company and request this promotion must subscribe to High Speed Internet (1.5 Mbps or greater) with installation of a new business line or trunk. Packaged services (bundles) that include a business line or trunk are eligible for this promotion. There is no limit on the number of times a customer may place orders for new lines or trunks and receive this promotional benefit during the promotional period.
