Prepaid Plan Promotion II

The "Prepaid Plan II" Promotion is available to new residential Customers who subscribe to either the Basic Plus, Enhanced or Unlimited Prepaid Plan during the period from April 1, 2008 to May 31, 2008.

The Nonrecurring Installation Charge is waived during this promotional period. The Customer's Monthly Recurring Charges are reduced for the first and second month's of service as long as the Customer does not make any modifications during the initial 60-day period.

	Reduced <u>Monthly Recurring Charge</u>
Basic Plus Prepaid Plan	\$17.99
Enhanced Prepaid Plan	\$19.99
Unlimited Prepaid Plan	\$29.99

After the second month of service, the Customer's monthly recurring charges will be as listed in Section 4.4.1.D. of the Company's South Carolina local tariff.

Depending on the plan in which the Customer initially enrolls, the Company may provide, at no charge, one or more additional custom calling feature(s) in addition to the Standard Features offered on that plan. These additional features will be available at no extra charge to the Customer during the promotional period. Once the promotional period has ended, the Customer may retain the additional features by paying the standard monthly recurring charges, as set forth in Section 4.4.1.C.2. of the Company's South Carolina local tariff.

Returning Customers cannot qualify for a new promotion until they have been off the Company's network for at least ten (10) days.

This Promotion is not available to existing Customers.
