At the request of the Customer, the primary listing may be omitted from the directory as a Non-Listed Telephone Number or from both the directory and the Directory Assistance Service records as a Non-Published Telephone Number. Non-Listed and Non-Published Services are furnished subject to the regulations and rates specified in this Tariff. The omission of the primary listing in the directory at the Customer's request does not entitle the Customer to an additional listing without charge in connection with other Services for which the Customer may be subscribing.

3.2.4 Priority of Service

In case of a shortage of facilities exists at any time, either for temporary or protracted periods, the establishment of network transmission service takes precedence in the furnishing of any service or facility.

3.2.5 Customer Premise Equipment (CPE)

Customer Premises Equipment ("CPE") is all terminal equipment normally used on the Customer's premises and owned by the Customer; owned by the Telephone Company or some other supplier and leased to the Customer; including the terminal equipment located or held in inventory on the Customer's premises.

The Telephone Company shall allow Customers to secure the provision, repair, and maintenance of CPE from any supplier, provided that such equipment shall be in compliance with applicable registration standards promulgated by the Federal Communications Commission and the Telephone Company's network.

3.2.6 Application of Residential Rates

Residential rates apply in the following instances:

- A. In private residences where business listings are not provided. Individual residential apartment of a multiple dwelling building or complex, where technically feasible.
- B. In private apartments of hotels, rooming houses, or boarding houses where service is confined to the Customer's use, and elsewhere in rooming and boarding houses which are not advertised as a place of business or which have less than five rooms for roomers or which furnish meals to less than ten boarders, provided business listings are not furnished.
- C. In the place of residence of a clergyman or nurse, and in the place of residence of a physician, dentist, veterinary, surgeon or other medical practitioner, provided the Customer does not maintain an office in the residence.
- D. Individual residential apartment of a multiple dwelling building or complex, where technically feasible.

The Telephone Company also reserves the right to reclassify residential customer service as business service due to misuse or excessive use.

(C)
(C)

Initial Contract Periods

Unless otherwise specified herein or elsewhere in the Telephone Company's Local Exchange Tariff, the initial (or minimum) period for service is one (1) month from the date service is established and the minimum charge is the established rate for one (1) month.

- A. Non-payment for services by a previous occupant of the same premises to be service, unless such previous occupant shall benefit from such new service or unless the new occupant benefited from such old service;
- B. Failure to pay for non-communications service provided by the utility, including, but not limited to any non-regulated telecommunications equipment or service furnished by the Telephone Company;
- C. Failure to pay for merchandise purchased from the Telephone Company;
- D. Failure to pay for business services at a different location and a different telephone number shall not constitute sufficient cause for refusal of residential service or vice versa.

3.2.9 Complaints

The Telephone Company will investigate customer complaints promptly and thoroughly in accordance with the rules established by the Public Service Commission of South Carolina. Customers can file unresolved complaints with the following:

¹ Service Charges may be prorated in equal payments over a four (4) month period.

4.10 Operator Services

Description

The Telephone Company furnishes operator assistance to its customers via a third-party provider. This service provides Customers with assistance using operators or the automated Interactive Voice System (IVS) whereby Customers may request assistance in: dialing a local or intrastate number; requesting a local and intrastate person-to-person call; billing a local and intrastate call to a calling card, a third number or as a collect call.

Regulation

Telephone Company will not bill for incomplete calls where answer supervision is available.

Telephone Company will not bill for incomplete calls and will remove any charges for incomplete calls upon subscriber notification or Telephone Company's knowledge.

The caller and billed party, if different from the caller, will be advised that the Telephone Company is the operator service provider at the initial contact.

Rate quotes will be given upon request, at no charge, including all rate components and any additional charges.

Only Local Exchange Tariff rates approved by the Public Service Commission of South Carolina shall appear on any local exchange Telephone Company (LEC) billings.

Telephone Company shall be listed on the LEC billing.

Telephone Company will employ reasonable calling card verification procedures.

Telephone Company will route all 0- or 00- calls to the emergency service provider, at no charge.

Upon request, Telephone Company will transfer calls to another authorized interexchange Telephone Company or to the LEC, if billing can list the caller's actual origination point.

The Operator Assisted charge is in addition to applicable local or toll message usage charges billed to that telephone number.

Collect calls from prison institutions will not be accepted.

(C)

4.11 Line Status Verification and Busy Line Interrupt

Description

The Telephone Company furnishes Line Status Verification and Busy line Interrupt Service to customers upon request to provide line status or busy interrupt of a requested access line.

The provision of Line Status Verification involves a Telephone Company-provided operator determining the condition of an access line that a customer requests be checked. The status of the access line is verified to the requesting customer.

5.5. Local Exchange Service Areas

The Telephone Company will provide local exchange service to business customers in the same exchanges as residential customers where technically feasible and available. The local calling area for the above exchanges will be the same for business customers as residential customers. The local calling area for the above exchanges can be found in Section 2 of this tariff.

(C)

5.6. Application of Business Service

Business Services apply at the following locations:

1. In offices, stores, factories and all other places of a strictly business nature
2. In offices of hotels, halls and offices of apartment buildings, quarters occupied by clubs or lodges, public, private or parochial schools or colleges, hospitals, libraries, churches and other similar institutions, except churches and boarding houses as specified below.

At residence locations when use of the service either by the customer, members or his household, his guests or parties calling him can be considered as more of a business than of a residence nature, which might be indicated via advertising, business cards, newspapers, handbills, circular, etc.

3. At residence locations, where the service or an extension line is located in a shop, office or other place of business
4. In college fraternity houses where the members lodge within the premises
5. Any location where the listing of service at that location indicates a business, trade or profession.
