### FOREIGN EXCHANGE SERVICE

#### 8.1 Foreign Exchange Service <sup>(1)</sup>

(C)

##### 8.1.1 Regulations

- a. Foreign exchange service is an exchange main service or extension there from furnished to a customer from an exchange other than the one from which he would normally be served.
- b. Foreign exchange service is offered in connection with flat rate individual line main station service and flat rate PBX service only.
- c. Other services, equipment or facilities used in connection with foreign exchange service, except as otherwise indicated in this tariff, are furnished subject to the rates and regulations applying in the foreign exchange from which the customer is served.
- d. Foreign exchange service is furnished subject to the same restrictions as to the use of the service by other than the customer and his representatives, as apply in connection with other classes of service.
- e. Normally, all negotiations for the establishment of foreign exchange service will be initiated by the prospective customer with the exchange from which he normally is served.
- f. When the foreign exchange from which service is requested has other exchanges in its local calling area, the Telephone Company shall determine from which of the exchanges service will be furnished. Mileage charges as set forth in 8.1.2 a. (1) and (2) would apply from the exchange from which service was requested.
- g. A customer receiving Foreign Exchange service may be required to subscribe to local service from the exchange from which he would normally be served.

<sup>(1)</sup> This service is grandfathered to existing customers effective August 21, 2015. The service will not be available to new customers after this date.

##### 8.1.2 Rates and Charges

a. The rate for Foreign Exchange service is the non-recurring and monthly rate for flat rate individual line main station service or PBX flat rate trunk line applicable within the base rate area of the serving foreign exchange, plus a monthly Foreign Exchange Termination Charge of \$20.00, plus mileage charges as follows for each circuit:

(1) Where the applicant for foreign exchange service is so located that it would be more economical to the Company to provide the foreign exchange service direct from the foreign exchange to the applicant's location by the extension or utilization of existing plant:

(a) For the distance from the applicant's location to the rate center of the foreign exchange area from which service is to be furnished a mileage charge of \$4.25 per mile or fraction thereof, airline measurement, will apply except as provided in 8.1.2 (b) following.

(2) Where the applicant for foreign exchange service is so located that it is not economical for the Company to provide the foreign exchange service direct from the foreign exchange to the applicant's location by the extension or utilization of existing plant:

(a) For the distance from the central office of the exchange from which the customer would normally receive service to the central office from which service is furnished, a mileage charge of \$4.25 per month per mile or fraction thereof, airline measurement, will apply.

(b) When, at the customer's request, the interexchange channel portion of the foreign exchange service is furnished by Telepak, the rates and regulations as specified in the Telepak Channels and Services section of the Southern Bell Telephone and Telegraph Company (South Carolina Tariff) will apply.

<sup>(1)</sup> This service is grandfathered to existing customers effective August 21, 2015. The service will not be available to new customers after this date.

### FOREIGN EXCHANGE SERVICE

#### 8.1 Foreign Exchange Service<sup>(1)</sup> (Cont.)

(C)

##### 8.1.2 Rates and Charges (Cont)

###### a. (Cont.)

- (3) For the distance from the central office of the exchange from which the customer would normally receive service, to the applicant's location, a mileage charge of \$3.50 per route circuit mile or fraction thereof for the first mile, and \$1.00 per quarter mile or fraction thereof, after the first mile, will apply.
- (4) The local service area of, and long distance rates to and from main stations or PBX systems connected for Foreign Exchange service are the same as regularly apply to stations located in the Foreign Exchange area.
- (5) The rate center of an exchange is the point from which message toll telephone rates are measured.
- (6) The Company may require toll restrictions on each Foreign Exchange service whereby calls may only be completed within the Foreign Exchange from which service is desired and its calling area.

###### b. Foreign Exchange service may be furnished involving two areas of the Company or involving an area of the Company and an area of a connecting company when the connecting company is willing to concur in arrangements for furnishing such service. In those cases where a portion of the service is furnished by a connecting company, the rates and regulations of the connecting company apply to the part of the exchange service it furnishes. Where the connecting company furnishes a portion of the interexchange facilities and -

- (1) Concurs in the inter-exchange rates and regulations of this Company in 8.1.2., a., preceding, the mileage measurement and mileage charges will be as indicated in 8.1.2, a.
- (2) Applies its tariff mileage charges to the point of connection with facilities of this Company, the portion of the facilities furnished by this Company will be at the rates and mileage measurements as specified in 8.1.2, a., preceding to the same point of connection, the total charges being the sum of the charges of each company.
