RE: Bandwidth.com CLEC, LLC
South Carolina Tariff No. 3 (Access Services)

Dear Ms. Boyd:

Pursuant to Docket No. 2012-136-C; Order No. 2012-262, dated April 11, 2012, enclosed for filing please find the original of the above referenced tariff filing submitted on behalf of Bandwidth.com CLEC, LLC ("Company"). This filing reduces the End Office Switching terminating access rate to the level of the Company's interstate rate for end office switching, as set forth in its FCC Tariff No. 1 on file with the Federal Communications Commission. The Company's other tariffed rates for intrastate switched access services are already at or below its corresponding tariffed interstate rates. Because the Company is mirroring its interstate access rates for terminating services, supporting calculations are not necessary.

The Company respectfully requests an effective date for this filing of July 1, 2012.

The following tariff pages are included with this filing:

Fourth Revised Sheet 2	Updates Check Sheet;
Third Revised Sheet 49	Reduces terminating End Office Switching rate.

Any questions you may have regarding this filing should be directed to my attention at 407-740-3031 or via email to sthomas@tminc.com. Thank you for your assistance in this matter.

Sincerely,

/s/ Sharon Thomas
