**RE: McClellanville Telephone Company, Inc.  
Revise Safety Line**

Dear Ms. Boyd:

Attached are the following tariff pages:

**Section 3 Third Revised Sheets 13**

The purpose of this filing is to revise the Safety Line bundle utilizing a two DSL market approach. DSL customers in Market A will see no impact on the price of their Safety Line offering. The rate is increasing for customers in Market B, but only for the broadband portion of their Safety Line. These customers have been notified of the new rate. For both the Market A and Market B offering, there is no impact on the emergency basic access line portion of the bundle.

This update is also applicable at our other South Carolina Companies listed below:

Norway Telephone Company, Inc.  
St. Stephen Telephone Company, Inc.

The effective date for this filing is December 7, 2012.

If you have any questions, please feel free to contact me.

Sincerely,
