Dear Mr. Terreni:

Enclosed with this electronic filing please find Qwest Communications Company, LLC (“QCC”), d/b/a CenturyLink QCC’s filing to revise its South Carolina Tariff No. 1. The material consists of tariff pages as indicated on the following check sheets:

Revision	Sheet No.
70th Revised	Check Sheet 1
50th Revised	Check Sheet 1.1
26th Revised	Check Sheet 1.2

This filing increases the Choice Unlimited Plan monthly rate by \$2.00 for business customers. Customer notice was provided via post card during the month of November. In addition, we are also grandfathering Frame Relay and ATM Services due to manufacturer discontinuance of the equipment needed to provide service. Customers have been notified of the grandfathering and have the option of moving to alternative CenturyLink services such as IQ Networking Private Port.

CenturyLink respectfully requests that the proposed changes outlined above become effective December 6, 2013.

If you have any questions regarding this filing, please contact me.

Respectfully submitted,

Lawanna German

60. Q.guaranteed

Q.guaranteed will no longer be available to new customers as of November 30, 2007. Current Q.guaranteed customers can continue to receive services under their existing contract and make any changes as agreed to by customer and Qwest.

Effective December 15, 2013, CenturyLink's QCC Frame Relay and ATM Services will no longer accept new orders from existing customers (except to the extent permitted by contract).

- Customers with a contract that expires prior to December 15, 2014 may retain their QCC Frame Relay or ATM Services covered by that contract on a month-to-month basis until December 15, 2014.
- Customers with a contract that expires after December 15, 2014 may retain their QCC Frame Relay or ATM Services covered by that contract until the expiration of that contract.

General Description

Q.guaranteed is a voice and data service offering flat rates based on term and minimum usage commitments. Q.guaranteed is designed for new businesses with monthly revenue between \$100 to \$100,000. It is available on a month-to-month basis, one year, two year, or three year term commitment and the terms have thirteen (13) commitment levels.

Billing and Rounding

Rates are quoted in full minutes. Call rounding is six (6) second initial and one (1) second incremental. For customers who sign up after November 6, 2000 call rounding will be initial eighteen (18) seconds and six (6) second incremental.

Directory Assistance

Directory Assistance is available for all Q.guaranteed customers.

Minimums

There is a minimum monthly usage commitment per month (Monthly Commitment) for all customers. Qwest will count the customer's total Q.guaranteed service usage set forth in the customer's term commitment; less taxes, monthly recurring charges, and non-recurring charges to determine whether a customer satisfies the Monthly Commitment requirement. If, during any month the customer's invoiced usage charges are less than the required Monthly Commitment, the customer will be billed and required to pay the difference between the Monthly Commitment and the actual amount billed. For Month-to-Month customers, this requirement will be applied beginning with the customer's first full month's invoice. For those customers who sign a one, two, or three year term commitment, this requirement will be applied with their fourth full month's invoice.

60. Q.guaranteed (Continued)

Renewals

The customer or Qwest may terminate the term commitment at the end of the initial term by providing not less than thirty (30) days written notice. The customer's notice of termination must be sent to: Qwest, Attention: Cancellation Notification, Department 0270/1021, 4650 Lakehurst Court, Dublin, OH 43016. If written notification is not submitted to Qwest at least thirty (30) days prior to the expiration of the term commitment, and Qwest has not given notice of termination to the customer, this term commitment shall automatically renew based on the same terms and conditions, at the same monthly commitment level and initial term, and at the tariffed rates in effect at the time of such renewal.

Early Termination Charges

Customers who terminate their term commitment prior to the expiration date and do not provide written notification to Qwest, will be billed and required to pay termination charges equal to the number of months remaining in the term multiplied by the monthly commitment level.

Customers who terminate their term commitment prior to the expiration date and do provide written notification to Qwest, will be responsible for the following charges, payable upon receipt:

- 1 Year Contract

Early termination charges for customers who terminate service prior to the expiration of their one-year term are calculated by taking the months remaining on the contract and multiplying by the monthly commitment level.

- 2 Year Contract

If the contract is in the first 12 months, the Customer will be responsible to Qwest for:

The remaining number of months of the first 12 months multiplied by the commitment level plus 35% of months remaining in the second 12 months.

If the contract is in the second 12 months, the Customer will be responsible to Qwest for:

The remaining number of months multiplied by the monthly commitment level.
