Re: United Telephone Company of the Carolinas LLC d/b/a CenturyLink  
General Subscriber Services Tariff

Dear Ms. Boyd:

Enclosed for filing, please find revisions to the United Telephone Company of the Carolinas LLC d/b/a CenturyLink General Subscriber Services Tariff. These revisions are submitted with an October 22, 2014 issue date and a proposed effective date of October 29, 2014. Attachment A includes the list of revisions that are included in this filing.

This filing deletes grandfathered feature packages and bundled services for which there is no remaining demand. Additionally, certain regulations for previously grandfathered services are moved to Section U100. Duplicated regulations already appearing in Section U100 are deleted. This filing also removes from the General Subscriber Services Tariff (name of bundles), which were introduced after July 1, 2004. The terms, conditions and rates for those bundled services are contained in CenturyLink's Local Terms of Service for Deregulated Business and Residential Packaged Services, posted at [www.CenturyLink.com/tariffs](http://www.CenturyLink.com/tariffs).

As discussed with ORS staff, this filing also reflects corrections to reflect the current rate for certain bundled services which appear in both the General Subscriber Services Tariff and CenturyLink's Local Terms of Service for Deregulated Business and Residential Packaged Services. These rates were published in CenturyLink's price list for deregulated packaged services on the effective dates of the increases, after customers received thirty-day advance notice.

If you have any questions regarding this filing, you may contact me at 913-353-7087 (please note my contact information has changed).

Sincerely,

A handwritten signature in black ink that reads "Robyn Crichton".

b. Regulations

- (1) The Plan is not available with Residential ISDN-BRI Service lines or to customers who are or become toll restricted.
- (2) No more than four (4) residence lines can be enrolled with the Solutions option for each customer Billed Telephone Number account.
- (3) Service Connection Charges do not apply when Solutions replaces existing Local Exchange Service or if the customer requests a change from Solutions back to regular Local Exchange Service. Service Connection Charges as described in Section U4 of this tariff apply for new and additional Solutions lines and moves of existing Solutions lines.
- (4) Solutions customers are not eligible for promotional offerings associated with the Custom Calling Services included in the Plan, unless specifically provided for in a promotional offering.
- (5) Residence customers enrolled in Solutions, who subsequently become subject to Company initiated toll restriction will have all existing Solutions lines converted to Residence Exchange Service(s) with local toll MTS service, at the applicable tariff rates as described in Section U18.2 of this tariff. Service Charges will not apply for those existing lines converted, in-place, due to termination procedures. In addition, any optional services not affected by the termination procedures will convert to their applicable tariff rates. Such customers will not be permitted to re-enroll in the Plan until such time as all associated unpaid balances are satisfactorily paid in full.
- (6) Prices of the individual services included in these packages may be higher or lower than the packaged offering.
