S3. BASIC LOCAL EXCHANGE SERVICE

S3.2 Local Exchange Service Line (Continued)

S3.2.1 Term Contract Pricing - Business

Term Contract Pricing (TCP) provides optional term discounts for business customers who order eligible services under TCP. Eligible services under TCP are business flat rate access local exchange lines and local exchange PBX trunks. TCP is offered in all local exchange rate groups and provides for one or three-year terms.

All rules, regulations, fees and surcharges normally applicable to eligible services apply. Central Office Line Connection Work charges found in S4.3 are included and will not apply separately for any lines subscribed under TCP.

To qualify, the customer subscribing to the TCP must commit to an oral or written service agreement as prescribed by New Communications of the Carolinas Inc. d/b/a Frontier, establishing the term period and rate in effect at the time the customer enters into the service agreement.

Upon expiration of a service agreement, the service will automatically be billed at the monthly rates in effect at the time the service agreement expires, as set forth in S13.3 of this tariff, unless a new service agreement is negotiated.

When a TCP customer moves service from one service location to another, and if the customer agrees to continue the service agreement at the new service location and retain local exchange access lines that equal or exceed the number of lines that were connected at the old service location, termination charges will not apply. If TCP is not available at the new service location, termination charges will apply.

In the event the customer terminates the service prior to the completion of the term commitment, the Termination Liability in Section S2.10 of this tariff will apply.

<u>Business Lines</u>	<u>1 Year Term</u>	<u>3 Year Term</u>
Rate Group 1	\$31.62 (l)	\$31.11 (l)
Rate Group 2	34.68 (l)	34.17 (l)
