SECTION 3 - SERVICE AND RATE DESCRIPTION, (CONT'D.)

3.1 Intrastate Long Distance Service, (Cont'd.)

3.1.5 Calling Card Service*

(C)

A. Description

Calling Card Service is provided to Customers for use when away from their established locations. The Company will issue to Customers Company Calling Cards which will allow Customers to place telephone calls and to re-originate calls, a feature which allows a Customer to place a new call without hanging-up and re-dialing the 8XX access number. Access to the service is gained by dialing a Company-designated toll free access number (i.e., 8XX-NXX-XXXX) and then entering a Company-provided personal identification number (PIN) and the called telephone number, including the area code.

The Company, by written notice to the Customer, may discontinue service to a Company Calling Card PIN if that PIN has not been used for a period of 120 days.

B. Call Timing

Calling Card Service is usage sensitive and billed in six (6) second increments. The duration of each call will be rounded off to the nearest higher increment for billing purposes. Additional fractional cents will be rounded off to the nearest higher cent. Unless otherwise specified in this tariff, the duration of each call for bill purposes will be rounded off to the nearest higher increment.

C. Terms of Service

The rates for Calling Card service are based on established one (1) year, two (2) year, or three (3) year term contracts for the Company's business Customers. The Company will provide customer notification of the expiration of the contract at least thirty (30) days prior to the expiration of the contract. Upon expiration of a term contract, the service term will automatically renew at the same terms and conditions for successive one (1) year terms unless either party notifies the other thirty (30) days prior to the expiration of the then current term that it wishes to terminate the service.

*Calling Card Services are discontinued as of May 15, 2015 throughout the state of South Carolina.

Important notice regarding the planned discontinuance of Calling Card Services provided by tw telecom holdings, llc and its authorized telecommunications subsidiaries (collectively “tw telecom”)

Dear Customer,

This letter serves as formal notice that **tw telecom** (a Level 3 company) will be discontinuing its Calling Card Services throughout the United States. You are receiving this notice because you currently subscribe to a **tw telecom** Calling Card Service, which, subject to the approval of the Federal Communications Commission (“FCC”), will be discontinued on or after March 31, 2015.

You will need to make arrangements for your service to be carried by another telecommunications service provider. If you have questions about this notification, please contact your account manager or call 1-800-829-0420.

Regards,

LEVEL 3

tw telecom is required by the FCC to provide the following statement:

The FCC will normally authorize this proposed discontinuance of service unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 15 days after the Commission releases public notice of the proposed discontinuance. Address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the § 63.71 Application of **tw telecom**. Comments should include specific information about the impact of this proposed discontinuance upon you or your company, including any inability to acquire reasonable substitute service.
