S3. BASIC LOCAL EXCHANGE SERVICE

S3.8 Operator Assisted Local Calls

S3.8.1 Operator Assistance Charges

- a. All types of local exchange service have local calling areas as specified in S3.4 of this Tariff which are the areas that can be called on a flat rate basis (no charge for individual calls), on a local coin call rate basis, on a Message rate basis (calls charged for as Message units) or on a measured service basis (charges based on a combination of one or more rating elements where Measured Service local exception tariffs are in effect).
- b. Local dial call: The call must be dialed and completed without the assistance of a Company operator and must be billed to the originating telephone when a charge is applicable.
- c. Operator Ringback Service: When a customer who has installed non-New Communications provided telephone equipment requests the "0" operator to call back the line (Ringback) to test the functionality of the equipment, the test call will be charged at the Station-to-Station Live Operator-Handled rate. The operator will notify the customer of the charge prior to making the Ringback call.
