

MISCELLANEOUS SERVICE ARRANGEMENTS

8.5 RESTRICTED TOLL ACCESS

8.5.1 General

Subscribers may be restricted from access to toll service which may include restricted access to any and all Interexchange InterLATA or IntraLATA carriers.

To receive restricted toll access, the subscriber must make written application for the restrictions at the Chesnee Telephone Company business office during normal business hours.

8.5.2 Rates

In addition to the rates and charges for this service by the Chesnee Telephone Company, there may be a charge levied by the interexchange carrier. The Chesnee Telephone Company concurs with and passes along to the subscriber any rates and charges imposed by the interexchange carriers.

Rates and Charges for Restricted Toll Access may be found in Section 16 of this tariff.

8.6 LOCAL 56 KILOBIT DATA SERVICE

8.6.1 General

- A. Local 56 kilobit data service point to point within the Chesnee Service Area.
- B. Switched 56 kilobit data service
- C. Effective April 10, 2013, the Chesnee Local 56 Kilobit Data Service is being discontinued and will not be available to new customers. Existing Chesnee Local 56 Kilobit Data Service Customers will be able to continue using the Chesnee Local 56 Kilobit Data Service. However, when the Customer switches to another service, the Customer will not be able to switch back to the Chesnee Local 56 Kilobit Data Service. In addition, if a Customer requests termination of service or is terminated for nonpayment of charges, the Chesnee Local 56 Kilobit Data Service will not be available to that Customer upon restoration of service.
