Service is offered on a flat rate basis, twenty-four hours per day, seven days per week. Customers must dial 1 plus the area code, if applicable, and the terminating number to complete a call utilizing this service.

In order to be eligible for this plan, Customers must presubscribe to BellSouth Long Distance or the Company's affiliated incumbent local exchange entity for intraLATA service and must also presubscribe to BellSouth Long Distance for interLATA long distance service.

All calls are billed in six (6) second increments after an initial period, for billing purposes, of thirty (30) seconds. This service is only offered in conjunction with the corresponding interstate BellSouth® Business One Plan and the international BellSouth® Business One Plan. This service is not offered on an intraLATA only basis.

The monthly recurring charge will be waived in instances where the Customer's monthly billing is \$50.00 or more of combined domestic and international usage. Surcharges, taxes and other similar fees shall not be included in the calculation for the waiving of the monthly recurring charge.
