VIA ELECTRONIC FILING

Mr. Charles L.A. Terreni, Chief Clerk
Public Service Commission of South Carolina
Synergy Business Park, Saluda Building
100 Executive Center Drive, Suite 100
Columbia, SC 29210

Re: South Carolina Tariff No. 2 Revisions for Broadview Networks, Inc.

Dear Mr. Terreni:

Attached please find the electronic tariff revisions filed on behalf of Broadview Networks, Inc. ("Broadview") for South Carolina Tariff No. 2. These tariff revisions are submitted in Adobe PDF format and are being filed electronically via the Commission's E Tariff System. Please acknowledge receipt of these tariff revisions by email confirmation.

This filing revises the business Flat Rate service of Broadview to match the rates of AT&T. Broadview respectfully requests these revisions go into effect July 1, 2011. Please feel free to contact me at (610) 755-4446 if there are any questions regarding this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Jarrod Harper", written in a cursive style.

SECTION 4 – BASIC SERVICES AND RATES (Cont'd)**4.4 Basic Local Exchange Service (Cont'd)****4.4.3 Standard Access Line**

The Standard Access Line provides a Customer with a single, analog, voice-grade telephonic communications channel that can be used to place or receive one call at a time. Standard Access Lines are provided for the connection of Customer-provided wiring and single station sets or facsimile machines. A multi-line subscriber is a Business customer with more than one line provided by Broadview Networks. Standard Access Lines enable the customer to:

- place or receive calls to any station in the local calling area, as defined herein;
- access enhanced 911 Emergency Service where available;
- access the interexchange carrier selected by the Customer for interLATA, intraLATA, interstate or international calling;
- access Operator Services;
- access Directory Assistance;
- place or receive calls to 800 numbers;
- access Telecommunications Relay Service.

Touch Tone signaling, consisting of a push button or touchtone dial that sends out a sound which consists of two discrete tones (one low frequency and one high frequency), picked up and interpreted by telephone switches, is provided as part of the Standard Access Line.

The Company's service will automatically block originating calls to other telephone companies' caller-paid information services (e.g., 900, 976) at no charge. Calls to those numbers and other numbers used for caller-paid information services will be unblocked on a per directory number basis only. Subsequent blocking of 900-type numbers will incur a charge listed in section 5.

A. Flat Rate Service

	<u>Flat Rate Residence</u>	<u>Flat Rate Business</u>
Rate Group 1	\$13.30	\$36.00 (I)
Rate Group 2	\$13.78	\$38.00 (I)
Rate Group 3	\$14.25	\$40.00 (I)
Rate Group 4	\$14.72	\$42.00 (I)
