Regarding: IBL service at Service Address:

**Important Notice Regarding Discontinuance of IBL Service  
Provided by Affiliates of tw telecom**

Dear Customer,

Previously, we notified you that your contract with an affiliate of **tw telecom holdings inc.** ("**tw telecom**")<sup>1</sup> for Integrated Business Line ("IBL") service would expire.

At that time, we allowed you to continue to use the service as long as you did not require any modifications or additions to the service. Now the time has come for **tw telecom** to begin the process of removing the outdated equipment supporting the IBL service from our network.

This letter serves as formal notice that, on or after March 10, 2014, and subject to the approval of the Federal Communications Commission ("FCC"), **tw telecom** plans to discontinue the IBL service. Thus, on or after March 10, 2014, the IBL service will no longer be available at the above-referenced location.

We would like to work with you to migrate your service to the Converged Services platform currently offered by **tw telecom**. The Converged Services platform is based on the latest equipment and communications technology. The Converged Services platform allows customers to fully integrate Voice (analog lines, PRI, digital trunks) with Data (VPN) and/or Internet and Security services on a single connection. Data, Internet, and Voice services dynamically share all bandwidth, and voice traffic is always prioritized over data traffic.

In order to maintain continuous service at your location, by March 10, 2014 or the date on which the FCC approves the planned discontinuance of the IBL service, we will need to either migrate your service to another **tw telecom** service that will best benefit your business or move your service to another telecommunications service provider.

**If you have not made arrangements with tw telecom or another telecommunications service provider to replace your IBL service, please be advised that your service will be disconnected on or after March 10, 2014.**

<sup>1</sup> The affiliates of **tw telecom** that offer the IBL service are: tw telecom of arizona llc, tw telecom of california l.p., tw telecom of colorado llc, tw telecom of florida l.p., tw telecom of georgia l.p., tw telecom of hawaii l.p., tw telecom of idaho llc, tw telecom of indiana l.p., tw telecom of kentucky llc, tw telecom of minnesota llc, tw telecom of north carolina l.p., tw telecom of new jersey l.p., tw telecom of new mexico llc, tw telecom of new york l.p., tw telecom of ohio llc, tw telecom of south carolina llc, tw telecom of tennessee llc, tw telecom of texas llc, and tw telecom of washington llc.

If you wish to contact me to discuss Converged Services or another service offering from **tw telecom**, you may do so at the number or email provided below.

If you also subscribe to other services from **tw telecom**, those services will NOT be impacted by the anticipated discontinuance of the IBL service. Your other services will remain in place with no change to the applicable rates, terms, or conditions.

We sincerely regret any inconvenience this may cause you and your organization, but we look forward to continuing our relationship and providing a new service that meets your telecommunications needs. **tw telecom** is dedicated to providing the finest business communications services and customer care available, allowing you to focus on your business. Please contact me as soon as possible to talk about **tw telecom**'s Converged Services platform or our other communications solutions that may best meet your needs. If we do not receive communication from you, we will plan to disconnect your service on or after March 10, 2014, subject to regulatory approval.

Sincerely,
