LOCAL EXCHANGE SERVICE

SECTION 2 - REGULATIONS (continued)

2.12 Application of Service Call Charges (continued)

- (b) The appropriate Line Connection Charge, Secondary Service Charge or Line Change Charge may apply in addition to charges for Service Calls. (T)
- (c) Charges for Service Calls apply per customer request, per Company employee performing billable work on the customer's premises. The sum of their time is used to determine the number of 30-minute increments to be billed, after the one-hour minimum billing period. Only one initial increment is to be billed per customer request except when the customer specifically requests more employees than the Company would normally dispatch. Where the customer specifically requests additional employees, the initial increment charge will also apply per additional Company employee specifically requested. (T)
(T)
- (d) Charges for Service Calls apply for, but are not limited to, line testing when no trouble is found on network side; establishment of service; adding and/or rearranging of network interface device. (T)
(T)
(T)
- (e) The charge for a network interface jack applies in addition to the appropriate Service Call Charges for installing a network interface at the customer's request on existing service.
- (f) Charges for Service Calls will apply if the Company dispatches a service technician pursuant to the Customer's request and it is determined that no trouble exists.

2.13 Service Charge Exceptions

- (a) Service Charges do not apply for changing from a private or semiprivate listing to a listed number.
- (b) Service Charges do not apply for changing to and from flat, message or measured rate basic service. This includes changing from one usage service option to another. This does not include a change from residential service to business service or vice versa.
