**RE: Williston Telephone Company, Inc. d/b/a TDS Telecom  
Private Line Concurrence Revisions**

Dear Mr. Duke:

Williston Telephone Company is submitting the following tariff sheets:

**Section 13 First Revised Sheet 1  
Original Sheets 2 & 3**

The purpose of this filing is to revise the Company's exceptions related to McClellanville's recent filing to revise the interexchange Private Line concurrence from the BellSouth tariff to the Company's interstate Special Access tariff. The Companies wish to provide Private Line Services from a tariff that has an offering similar to the how the Company provisions the service from a company-wide operational perspective. The concurrence is for terms and conditions. The rates of the service are listed.

**The enclosed tariff has an effective date of February 5, 2016.**

If you have any questions, please feel free to contact me.

Sincerely,

A handwritten signature in blue ink, appearing to read "Kris A. Groth".
