S6.5 Additional Listing Charges

S6.5.1 **General**

- a. Additional (paid) directory listings are accepted for a minimum chargeable period of the life of the directory issue in which the listing first appears, not to exceed one year from the effective date of the listing. Directory assistance records are posted at the time the application for the listing is made, or at any time up to and including the closing date of the directory, as desired by the customer. The customer to the service assumes responsibility for all charges for additional listings associated with his service.
- b. Listing charges are automatically discontinued upon termination of the main service with which associated and additional listing charges may be discontinued upon request after the expiration of the minimum chargeable period.

Charges for additional listing of those other than the customer may be discontinued upon request of the customer in case the listed party becomes a customer to exchange service similar in classification to that which such party already is listed; i.e., business or residence, or in case of the death of the listed party, or if such party moves from the premises at which the exchange service listed is furnished.
