**RE: TDS Long Distance Corporation;
Add STAR Business Bundles & Grandfather Business Total Talk Bundles**

Dear Mr. Duke:

Included in this submission are the following tariff sheets:

Section IV **First Revised Sheet 9**
 Fifth Revised Sheet 10
 Original Sheet 10.2

The purpose of this filing is first, to add STAR Business Bundles to the tariff. A customer who subscribes to one of the STAR Business Bundles pays a monthly recurring charge each month for a predetermined number of interstate and/or intrastate minutes. The available packages are: STAR Business Bundle (200 Minutes) and STAR Business Bundle Unlimited (Unlimited Minutes). In order to receive the package rates, the customer must also subscribe to the corresponding STAR Business Bundle located in the Local Exchange tariff for TDS Telecom companies.

With this filing, we will also be grandfathering the Business Total Talk Pack bundle plans. These services will be grandfathered to existing business customers effective December 30, 2010. They will not be available to new customers after this date. Additionally, a footnote was added to the Maximum Rates for Total Talk residential customers which was inadvertently overlooked when the Total Talk (Residential) was grandfathered on January 7, 2009.

The proposed effective date for this tariff filing is December 30, 2010.

If you have any questions, please contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Kris A. Groth". The signature is fluid and cursive, written over the word "Sincerely,".
