3.2.14 Enhanced Directory Assistance

(T)

The Telephone Company shall list its customers with the directory assistance operators to provide the requested telephone numbers of all customers, except telephone numbers unlisted at the customer's request.

In the event of an error in the listed numbers of any customer, the Telephone Company shall intercept all calls to the listed number for a reasonable period of time provided existing telephone equipment will permit and the number is not in service. In such event of an error or omission in the name listing of a customer number such customer's correct name and telephone number shall be filed with directory assistance operators. The correct number shall be furnished to the calling party either upon request or interception.

(T)

(T)

Whenever any customer's telephone number is changed after a directory is published, the utility shall intercept all calls to the former number for a reasonable period of time and give the calling party the new number provided existing telephone equipment will permit and the customer so desires.

Call completion of a requested directory assistance listed number may be provided to a customer as part of this service. A service message will inform the Customer that he may be connected to the number automatically. The use of call completion to complete a long distance call may incur charges at the current Charter long distance rate. Call completion service is furnished over the Telephone Company's network, where facilities are technically and operationally available.

(N)

(N)

Directory Assistance Direct-Dialed calls for the physically impaired customers are provided at no charge. Customers who are physician certified as physically impaired and unable to use the telephone directory must obtain an exemption from the Telephone Company by completing an exemption form supplied by the Telephone Company.

Enhanced Directory Assistance is available by dialing 411 or 1-area code-555-1212. Enhanced Directory Assistance provides requested telephone numbers along with features such as movie times, weather conditions and forecasts, highway traffic conditions, stock quotes and preferred restaurant listings. Additionally, a reverse directory assistance look up service provides the customer pertinent information such as name, address or zip code information for a phone number the caller already has. The Enhanced Directory Assistance service has a maximum of two requested telephone numbers per call.

(M)

(M)

Charges associated with obtaining Enhanced Directory Assistance information are detailed in Appendix A. for residential subscribers and Appendix C for business customers.

3.2.15 711 Access for Telecommunications Relay Service

(M)

Telecommunications Relay Service (TRS) enables deaf, hard-of-hearing or speech-impaired persons who use a Text Telephone (TT) or similar devices to communicate with the hearing population not using TT. It also allows the hearing population not using a TT to communicate with deaf, hard-of-hearing or speech-impaired persons who do use a TT. A Customer will be able to access the state provider to complete such calls by either dialing the applicable telephone number directly or by dialing the number 711.

The Telephone Company will bill the customer a monthly charge on all residential local exchange lines as necessary to fund the establishment and operation of a dual party relay system and a distribution system of TTY's and other related telecommunications devices in South Carolina.
