SECTION 5 – GRANDFATHERED SERVICES (CONT'D.)

5.15 Select 100

Select 100 is a business service that is available to new customers who subscribe to the Select 100 local product described in the Company's Local tariff. Select 100 rates are based on flat rates and duration of the call. Domestic Inbound/Outbound long distance calls are timed in 6-second increments after the initial 60 seconds of the call. The customer will receive 100 free long distance minutes per line per month, aggregated at the account level. Free minutes from this combined total are applied as aggregate usage accrues. The rate per minute is not applicable to international, calling card, operator services or directory assistance charges. There are no violations for discontinuance of service. If a Select 100 customer cancels local service with the Company, at any time, they will be converted to Business Connections long distance rates. No term discounts apply.

A monthly recurring fee will apply for subscription to both Long Distance and Local Select 100 service, however, the fee can be waived if the customer subscribes to on-line billing through the Company's free eBillMaster billing service.

Select 100 may not be available in all areas. Customers can contact one of the Company's customer service representatives at 1-800-239-3000 to find out where this service is available in their area.
