## ENERGY EFFICIENCY EDUCATION PROGRAM EEE-2A

### PURPOSE

The purpose of this program is to educate students about energy efficiency in homes and schools through energy-related curriculum, a home energy survey and energy efficiency measures.

### PROGRAM

This program is available, at the Company's option, to K-12 public and private schools served by the Company.

This program provides students in participating schools the ability to complete an energy survey of their home. Each eligible student who completes a home energy survey will receive an energy efficiency measure for their home, not to exceed \$30.00 in value, such as a package of compact fluorescent light bulbs or an energy efficiency starter kit.
