TARIFF FORMAT

A. Sheet Numbering - Sheet numbers appear in the upper right corner of the page. Sheets are numbered sequentially. However, new sheets are occasionally added to the tariff. When a new sheet is added between sheets already in effect, a decimal is added. For example, a new sheet added between sheets 14 and 15 would be 14.1.

B. Sheet Revision Numbers - Revision numbers also appear in the upper right corner of each page. These numbers are used to determine the most current sheet version on file with the SCPSC. For example, the 4th revised Sheet 14 cancels the third revised Sheet 14. Because of various suspension periods, deferrals, etc. the SCPSC follows in their tariff approval process, the most current sheet number on file with the Commission is not always the tariff page in effect. Consult the Check Sheet for the sheet currently in effect.

C. Paragraph Numbering Sequence - There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level:

- 2.
- 2.1.
- 2.1.1.
- 2.1.1.A.
- 2.1.1.A.1.
- 2.1.1.A.1.(a).
- 2.1.1.A.1.(a).I.
- 2.1.1.A.1.(a).I.(i).
- 2.1.1.A.1.(a).I.(i).(1).

D. Check Sheets - When a tariff filing is made with the SCPSC, an updated check sheet accompanies the tariff filing. The check sheet lists the sheets contained in the tariff, with a cross reference to the current revision number. When new pages are added, the check sheet is changed to reflect the revision. All revisions made in a given filing are designated by an asterisk (*). There will be no other symbols used on this page if these are the only changes made to it (i.e., the format, etc. remains the same, just revised revision levels on some pages). The tariff user should refer to the latest check sheet to find out if a particular sheet is the most current on file with the SCPSC.

SECTION 2 - RULES AND REGULATIONS**2.1 Undertaking of Dialtone & More, Inc.**

This tariff contains the regulations and rates applicable to intrastate resale telecommunications services provided by Dialtone & More, Inc. for telecommunications between points within the State of South Carolina. Resale services are furnished subject to the availability of facilities and subject to the terms and conditions of this tariff in compliance with limitations set forth in the Commission's rules. The Company's services are provided on a statewide basis and are not intended to be limited geographically. The Company offers service to all those who desire to purchase service from the Company consistent with all of the provisions of this tariff. Customers interested in the company's services shall file a service application with the Company which fully identifies the Customer, the services requested and other information requested by the Company. The Company may act as the Customer's agent for ordering access connection facilities provided by other carriers or entities when authorized by the Customer, to allow connection of a Customer's location to a service provided by the Company. The Customer shall be responsible for all charges due for such service arrangement. The Company does not own any switching, transmission or other physical facilities in South Carolina.

2.1.1 The services provided by Dialtone & More, Inc. are not part of a joint undertaking with any other entity providing telecommunications channels, facilities, or services, but may involve the resale of the Message Toll Services (MTS) and Wide Area Telecommunications Services (WATS) of underlying common carriers subject to the jurisdiction of this Commission.

2.1.2 The rates and regulations contained in this tariff apply only to the resale services furnished by Dialtone & More, Inc. and do not apply, unless otherwise specified, to the lines, facilities, or services provided by a local exchange telephone company or other common carriers for use in accessing the services of Dialtone & More, Inc..

2. RULES AND REGULATIONS (continued)

2.1 Undertaking of Dialtone & More, Inc. (continued)

2.1.3 The Company reserves the right to limit the length of communications, to discontinue furnishing services, or limit the use of service necessitated by conditions beyond its control, including, without limitation: lack of satellite or other transmission medium capacity; the revision, alteration or repricing of the Underlying Carrier's tariffed offerings; or when the use of service becomes or is in violation of the law or a provision of this tariff.

2.1.4 The Company's services and facilities are provided on a monthly basis unless ordered on a longer term basis, and are available twenty-four hours per day, seven days per week.

2.2 Use and Limitations of Services

2.2.1 Dialtone & More, Inc.'s services may be used for any lawful purpose consistent with the transmission and switching parameters of the telecommunications facilities utilized in the provision of services, subject to any limitations set forth in this Section 2.2.

2.2.2 The use of Dialtone & More, Inc.'s services to make calls which might reasonably be expected to frighten, abuse, torment, or harass another or in such a way as to unreasonably interfere with use by others is prohibited.

2.2.3 The use of Dialtone & More, Inc.'s services without payment for service or attempting to avoid payment for service by fraudulent means or devices, schemes, false or invalid numbers, or false calling or credit cards is prohibited.

2.2.4 Dialtone & More, Inc. does not transmit messages, but the services may be used for that purpose.

2. RULES AND REGULATIONS (continued)

2.2 Use and Limitations of Services (continued)

2.2.5 Dialtone & More, Inc.'s services may be denied for nonpayment of charges or for other violations of this tariff subject to Section 2.5 herein.

2.2.6 Customers shall not use the service provided under this tariff for any unlawful purpose.

2.2.7 The Customer is responsible for notifying the Company immediately of any unauthorized use of services.

2.2.8 All facilities provided under this tariff are directly controlled by Dialtone & More, Inc. and the Customer may not transfer or assign the use of the service or facilities, except with the express written consent of the Company. Such transfer or assignment shall only apply where there is no interruption of the use or location of the service or facilities.

2.2.9 Prior written permission from the Company is required before any assignment or transfer. All regulations and conditions contained in this tariff shall apply to all such permitted assignees or transfers.

2.3 Liability of the Company

2.3.1 The Company shall not be liable for any claim, loss, expense or damage for any interruption, delay, error, omission, or defect in any service, facility or transmission provided under this tariff, if caused by an act of God, fire, war, civil disturbance, act of government, or due to any other causes beyond the Company's control.

2. RULES AND REGULATIONS (continued)

2.3 Liability of the Company (continued)

- 2.3.2 The Company shall not be liable for, and shall be fully indemnified and held harmless by the Customer against any claim, loss, expense, or damage for defamation, libel, slander, invasion, infringement of copyright or patent, unauthorized use of any trademark, trade name or service mark, proprietary or creative right, or any other injury to any person, property or entity arising out of the material, data or information transmitted.
- 2.3.3 No agent or employee of any other carrier or entity shall be deemed to be an agent or employee of the Company.
- 2.3.4 The Company's liability for damages arising out of mistakes, interruptions, omissions, delays, errors, or defects in the transmission occurring in the course of furnishing service or facilities, and not caused by the negligence of its employees or its agents, in no event shall exceed an amount equivalent to the proportionate charge to the Customer for the period during which the aforementioned faults in transmission occur. No other liability in any event shall attach to the Company, except as ordered by the Commission.
- 2.3.5 The Company shall not be liable for and shall be indemnified and saved harmless by any Customer or by any other entity from any and all loss, claims, demands, suits, or other action or any liability whatsoever, whether suffered, made, instituted, or asserted by any Customer or any other entity for any personal injury to, or death of, any person or persons, and for any loss, damage, defacement or destruction of the premises of any Customer or any other entity of any other property whether owned or controlled by the Customer or others.
- 2.3.6 The Company shall not be liable for any indirect, special, incidental, or consequential damages under this tariff including, but not limited to, loss of revenue or profits, for any reason whatsoever, including the breakdown of facilities associated with the service, or for any mistakes, omissions, delays, errors, or defects in transmission occurring during the course of furnishing service.

2. RULES AND REGULATIONS (continued)

2.3 Liability of the Company (continued)

2.3.7 The remedies set forth herein are exclusive and in lieu of all other warranties and remedies, whether express or implied, INCLUDING, WITHOUT LIMITATION, IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

2.4 Responsibilities of the Customer or Subscriber

2.4.1 The Customer is responsible for placing any necessary orders, for complying with tariff regulations, and for assuring that users comply with tariff regulations. The Customer shall ensure compliance with any applicable laws, regulations, orders or other requirements (as they exist from time to time) of any governmental entity relating to services provided or made available by the Customer to authorized users.

2.4.2 The Customer is responsible for charges incurred for special construction and/or special facilities which the Customer requests and which are ordered by Dialtone & More, Inc. on the Customer's behalf.

2.4.3 If required for the provision of Dialtone & More, Inc. services, the Customer must provide any equipment space, supporting structure, conduit and electrical power without charge to the Company.

2.4.4 The Customer is responsible for arranging access to its premises at times mutually agreeable to the Company and the Customer when required for the Company personnel to install, repair, maintain, program, inspect or remove equipment associated with the provision of Dialtone & More, Inc.'s services.

2. RULES AND REGULATIONS (continued)**2.4 Responsibilities of the Customer or Subscriber (continued)**

2.4.5 The Customer shall ensure that its equipment and/or system is properly interfaced with Dialtone & More, Inc. facilities or services, that the signals emitted into the Dialtone & More, Inc. network are of the proper mode, bandwidth, power, and signal level for the intended use of the Customer in compliance with the criteria set forth in this tariff, and that the signals do not damage equipment, injure personnel, or degrade service to other Customers. If the Federal Communications Commission or some other appropriate certifying body certifies terminal equipment as being technically acceptable for direct electrical connection with interstate communications service, Dialtone & More, Inc. will permit such equipment to be connected with its channels without the use of protective interface devices.

If the Customer fails to maintain the equipment and/or the system properly, with resulting imminent harm to Dialtone & More, Inc. equipment, personnel, or the quality of service to other Customers, Dialtone & More, Inc. may, upon written notice, require the use of protective equipment at the Customer's expense. If this fails to produce satisfactory quality and safety, Dialtone & More, Inc. may, upon written notice, terminate the Customer's service.

2.4.6 The Customer must pay the Company for replacement or repair of damage to the equipment or facilities of the Company caused by negligence or willful act of the Customer, users, or others, by improper use of the services, or by use of equipment provided by the Customer, users, or others.

2.4.7 The Customer must pay for the loss through theft of any Dialtone & More, Inc. equipment installed at Customer's premises.

2.4.8 The Customer is responsible for the payment of charges for all calls originated at the Customer's numbers. The Customer is responsible for all direct dial calls originated at the Customer's numbers and/or premises. Any calls placed by fraudulent means should be investigated prior to the Company attempting to hold the customer responsible for such.

2. RULES AND REGULATIONS (continued)

2.4 Responsibilities of the Customer or Subscriber (continued)

2.4.9 The Customer or authorized user is responsible for compliance with the applicable regulations set forth in this tariff.

2.4.10 The Customer or authorized user is responsible for identifying the station, party, or person with whom communications is desired and/or made at the called number.

2.5 Cancellation or Discontinuance of Services

2.5.1 Without incurring liability, Dialtone & More, Inc. may, upon five working days written notice, discontinue services to a Customer or may withhold the provision of ordered or contracted services:

2.5.1.A For nonpayment of any sum due Dialtone & More, Inc. for more than thirty days after issuance of the bill for the amount due,

2.5.1.B For violation of any of the provisions of this tariff,

2.5.1.C For violation of any law, rule, regulation or policy of any governing authority having jurisdiction over the Company's services, or

2.5.1.D By reason of any order or decision of a court, public service commission or federal regulatory body or other governing authority prohibiting Dialtone & More, Inc. from furnishing its services.

2. RULES AND REGULATIONS (continued)**2.5 Cancellation or Discontinuance of Services (continued)**

- 2.5.2 Without incurring liability, Dialtone & More, Inc. may interrupt the provision of services at any time in order to perform tests and inspections to assure compliance with tariff regulations and the proper installation and operation of Customer and Company's equipment and services and may continue such interruption until any items of non-compliance or improper equipment operation so identified are rectified.
- 2.5.3 Service may be discontinued by Dialtone & More, Inc., without notice to the Customer, by blocking traffic to certain countries, cities or NXX exchanges, or by blocking calls using a call screening method which generates a network message not allowing calls to complete, when Dialtone & More, Inc. deems it necessary to take such action to prevent unlawful use of its service. Dialtone & More, Inc. will restore service as soon as it can be provided without undue risk.
- 2.5.4 The Customer may terminate service upon verbal or written notice for the Company's standard month to month contract. Customer will be liable for all usage on any of the Company's service offerings until the Customer actually leaves the service. Customers will continue to have Company usage and be responsible for payment until the Customer or its agent notifies its local exchange carrier and changes its long distance carrier.

2. RULES AND REGULATIONS (continued)**2.6 Interruption of Service**

- 2.6.1 Credit allowance for the interruption of service which is not due to the Company's testing, inspecting, or adjusting, of equipment; or to the failure of channels or equipment provided by the Customer; or to the Company's blocking of services to certain locations; and that is not caused by the Customer, is subject to the general liability provisions set forth in 2.3 herein. It shall be the obligation of the Customer to notify the Company immediately of any interruption in service for which a credit allowance is desired. Before giving such notice, the Customer shall ascertain that the trouble is not being caused by any action or omission by the Customer within his control, or is not in wiring or equipment, if any, furnished by the Customer and connected to the Company's facilities.
- 2.6.2 No credit is allowed in the event that service must be interrupted in order to provide routine service quality or related investigations.
- 2.6.3 Credit for failure of service shall be allowed only when such failure is caused by or occurs due to causes within the control of the Company.
- 2.6.4 Credit for interruption shall commence after the Customer notifies the Company of the interruption or when the Company becomes aware thereof, and ceases when service has been restored.
- 2.6.5 For purposes of credit computation, every month shall be considered to have 720 hours.
- 2.6.6 No credit shall be allowed for an interruption of a continuous duration of less than two hours.

2. RULES AND REGULATIONS (continued)**2.6 Interruption of Service (continued)**

2.6.7 The Customer shall be credited for an interruption of two hours or more at the rate of 1/720th of the monthly charge for the facilities affected for each hour or major fraction thereof that the interruption continues.

CREDIT FORMULA:

$$\text{Credit} = (A \times B) / 720$$

"A" - outage time in hours

"B" - total monthly charge for affected facility

2.7 Restoration of Service

The use and restoration of service shall be in accordance with the priority system specified in part 64, Subpart D of the Rules and Regulations of the Federal Communications Commission

2.8 Deposits

Dialtone & More, Inc. may, in order to safeguard its interests, require a Customer to make a cash security deposit, irrevocable letter of credit or other means prior to or any time after the provision of Services to Customer (collectively called "Deposit"). The Deposit, to be held by Dialtone & More, Inc. as a guarantee or security for the payment of charges incurred and may be increased at any time upon Dialtone & More, Inc.'s request and in its sole discretion. Dialtone & More, Inc.'s obligation to provide Services is contingent upon an initial and continuing credit approval based upon the criteria set forth by the Commission Rules and Regulations, R103-621 A.1, A.3 and A.4. Additional Deposit amounts may be required after Services commence pending continuing review of issues which include but are not limited to Customer's monthly revenue, payment history, financial condition and as security against disputed amounts.

3. DESCRIPTION OF SERVICE (continued)

3.2 Calculation of Distance

Usage charges for all mileage sensitive products are based on the airline distance rate centers associated with the originating and terminating points of the call.

The airline mileage between rate centers is determined by applying the formula below to the vertical and horizontal coordinates associated with the rate centers involved. The Company uses the rate centers and associated vertical and horizontal coordinates that are produced by Bell Communications Research in their NPA-NXX V & H Coordinates Tape and Bell's NECA Tariff No. 4

FORMULA:
$$2 \sqrt{\frac{(V1 - V2)^2 + (H1 - H2)^2}{10}}$$

EXAMPLE: Distance between Miami and New York City -

<u>VH</u>		
Miami	8,351	529
New York	<u>4,997</u>	<u>1,406</u>
Difference	3,354	-879

Square and add: $11,249,316 + 772,641 = 12,021,957$

Divide by 10 and round: $12,021,957 / 10 = 1,202,195.70$
 $= 1,202,196$

Take square root and round: $\sqrt{1,202,196} = 1,096.4$
 $= 1,097 \text{ miles}$
