**3.35 T-Remote**

T-Remote is for multi-location T-1 based business Customers whose host or master location subscribes to T-PAC, Simplici-T or Simplici-T Plus Service but who also require analog service at additional, smaller locations. Customers, however, are allowed no more than seven (7) T-Remote locations per T-1.

T LD, T\_5000 LD, T\_2500, Converged Minutes, and Horizon LD are the Company's long distance services allowed for use with T-Remote, but consistency must be maintained between locations that are billed on the same account. If the Customer has T LD at the host/master location, their T-Remote locations must have T LD as well.

If Expanded Calling Service is included on the Customer's associated T-1 based product, Expanded Calling Service will also apply to T-Remote lines.

**3.38 Simplici-T 3.0 Service (continued)**

Each Simplici-T 3.0 and Simplici-T 3.0 PRI local channel includes LATA-wide local calling; thus, the Company must be selected as the Customer's presubscribed intraLATA carrier on all channels.

All CLASS calling features, subject to availability in the serving central office and compatibility with other calling features are included in the base package price for Simplici-T 3.0. Features are not automatically provisioned; the Customer must determine what features will be needed for each line. No CLASS features are available with the Simplici-T 3.0 PRI service.

Subscription to the Company's interLATA long distance service is not required with Simplici-T 3.0 or Simplici-T 3.0 PRI, but the Customer may subscribe to the Company's T LD long distance product, T\_5000 LD Plan, T\_2500, Converged Minutes, or, if usage levels justify, the Company's Horizon long distance product may be selected. Product descriptions, rules and regulations and pricing for each long distance product are set forth in the Company's Interexchange tariff. Consistency must be maintained between locations that are billed on the same account. If the Customer has T LD at their main site, they must have T LD at all locations with the Company's long distance service.

Other Company long distance services are not available in conjunction with Simplici-T 3.0 or Simplici-T 3.0 PRI services. Customers selecting toll free service are eligible for one toll free number at no charge. Additional toll free numbers can be added at an incremental charge per number pursuant to the Company's South Carolina P.S.C. Tariff No. 2-A.

Alternatively, the T-Remote product is an available option for multi-location customers whose host or master location needs analog service but also needs CLASS features and/or voicemail service. See the T-Remote product description and pricing in this Tariff for applicable rates, terms and conditions. Unlike Simplici-T 3.0 and Simplici-T 3.0 PRI customers, Customers subscribing to T-Remote are required to designate the Company as both their local and long distance service provider.
