RE: Granite Telecommunications, LLC, Tariff Advice Letter No. 4

Dear Ms. Boyd:

Enclosed for submission to the South Carolina Public Service Commission (“Commission”) are revised Sheet No. 2 and Price List Sheets 1 to Granite Telecommunications, LLC’s (“Granite”) switched access service tariff, South Carolina PSC Tariff No. 3, for incorporation into the Company’s Tariff.

With this submission, Granite complies with the July 1, 2013 interstate access rate benchmarking requirement set forth in Section 51.911(c) of the Federal Communications Commission’s (“FCC”) rules, 47 C.F.R. § 51.911(c), Access Reciprocal Compensation Rates for Competitive LECs, promulgated under the USF/ICC Transformation Order,<sup>1</sup> as amended, which states in part:

Beginning July 1, 2013, notwithstanding any other provision of the Commission's rules, all Competitive Local Exchange Carrier Access Reciprocal Compensation rates for switched exchange access services subject to this subpart shall be no higher than the Access Reciprocal Compensation rates charged by the competing incumbent local exchange carrier, in accordance with the same procedures specified in §61.26 of this chapter.

Granite now sets its composite terminating intrastate rate at parity with the corresponding interstate rate, effective July 1, 2013. Granite’s interstate rates are currently below the dominant incumbent local exchange carrier’s interstate rates.
