SOUTH CAROLINA INMATE TELECOMMUNICATIONS SERVICES

SECTION 3 – DESCRIPTION OF SERVICE (continued)

3.4 Inmate Customers

3.4.1 Prepaid Cards

Inmates may obtain Company Prepaid Cards (in various denominations) directly from the Confinement Facility. All monetary transactions involving Inmates take place between the Confinement Facility and the Inmate, and are under the direct and complete control of the Confinement Facility.

The Inmate obtains access to the Company's Prepaid Card Services via a toll-free number. The Inmate must input a valid Authorization Code to access an account. At the beginning of each call, the Inmate is informed of the remaining balance on the card. The Inmate then inputs the destination number. Network usage will be debited from the available funds on the card on a real time basis and in full minute increments as the call progresses. Call timing is rounded up to the nearest one (1) minute increment after the initial minimum period of one (1) minute. Inmate will be provided with an announcement when the account balance is one minute prior to exhaustion. The Inmate can transfer a balance from one card to another card. The Called Party is provided the name of the Confinement Facility and the name of the Inmate calling prior to being offered the option to accept or refuse the incoming pre-paid call.

Following release from a Confinement Facility a refund can be requested by sending the card to the Company at the address printed on the card. (T)

3.4.2 Debit Calling Through Confinement Facility Commissary

When made available by the Confinement Facility, the Inmate may place debit calls using funds transferred from the Inmate's commissary account. The Inmate selects the debit account option and inputs the destination number. At the beginning of the call the Inmate is informed of the remaining balance in the debit account. Network usage will be debited from the funds available in the debit account on a real time basis and in full minute increments as the call progresses. Call timing is rounded up to the nearest one (1) minute increment after the initial minimum period of one (1) minute. Inmates will be provided an announcement when the account balance is one minute prior to exhaustion.

The Called Party is provided the name of the Confinement Facility and the name of the Inmate calling prior to being offered the option to accept or refuse the incoming debit call.
